MORNING & AFTERNOON SUPERVISION - For Kindergarten to Year 8. We now offer additional supervision for Prep pupils (in the Dining Room) and for Pre-Prep (in the Pre-Prep Hall) before and after our holiday courses. In the mornings, please ensure your child has had breakfast before being dropped off and, if your child would like a snack in the afternoon, please include this in their packed lunch.

PRE-PREP MULTI-ACTIVITIES - For Kindergarten to Year 2. Inside and outside activities in Pre-Prep and the Pre-Prep woods. The children will have the opportunity for arts and crafts, cooking and playing games throughout the week.

PREP MULTI-ACTIVITIES - For Years 3-8. Inside and outside activities in the Prep school and the school grounds. The children will have the opportunity for arts and crafts, sports and playing games.

ARTISTIC AQUAGYM - For Years 3-8. Unlock the perfect blend of strength, grace and artistry with Artistic AquaGym. This unique course offers the opportunity to develop flexibility, coordination and body control through gymnastics, while simultaneously mastering the fluidity and synchronization of aquatic choreography. Build endurance, improve balance and gain the confidence to perform stunning water-based performances, all while having fun and pushing your limits.

ELECTRONICS - For Years 6-8. Pupils will have a relaxed and safe introduction to electronic circuits. They will learn the basics of electronics and circuits before going on to complete their own Christmas decoration. Pupils that prove proficient will have the opportunity to expand on their circuit with additional input and output circuitry. **Children should attend for at least two days to ensure that they are able to complete their projects, and they are welcome to attend for all four days.**

FESTIVE COOKERY, CRAFTS & CREATIVE FUN - For Years 3-8. Join Mrs Jago and Mrs Stone for some festive fun, including baking, creating, making and then taking the results home with you. There will be time for music, chat and giggles, too.

RUGBY: SKILLS, THRILLS AND TOTAL PERFORMANCE! - For Years 5-8. An opportunity to develop your rugby potential with our dynamic coaching course. Whether new to rugby or looking to refine your skills, this course will focus on skill development, game strategy and mastering the fast-paced action of 7s rugby. There is a good chance we will be visited by a professional rugby player during the week too, so sign up now to play smarter, faster and more confidently.

WOODLAND CRAFTS - For Years 3-8. Discover the magic of nature with Woodland Crafts. Our collection celebrates the beauty of the forest, offering handmade, sustainable creations inspired by the natural world.
